

## **Conference Posters**

### *Fourth Australian Conference on Tropical Pastures*

Those who presented posters at the Conference were given an opportunity to re-submit poster statements as Technical Notes. These have been refereed and may be cited. They are published on the following pages, 225-234.

The remainder of the poster statements are presented on pages 235-240. They should not be cited unless permission has been given by the senior author.
