**Tropical Grasslands** is produced by the Tropical Grassland Society of Australia Inc.,  
c/- CSIRO, 306 Carmody Rd, St Lucia, Qld 4067, Australia.

#### CORRIGENDUM

In the title of the conference poster "The dissemination of chinee apple (*Ziziphus mauritania*): a woody weed of the tropical subhumid savanna and urban fringe of north Queensland," which appeared on page 174 of Volume 30 of *Tropical Grasslands* — the correct scientific name for chinee apple should be *Ziziphus mauritiana*.

The authors and the Editor apologise for any confusion this may have caused.
